

# Detour

Auto Care

NEW 2019  
PRODUCT!

## INTRODUCING

The fastest headlight restoration solution.

Detour Auto Care's Instant Headlight Restoration Wipes are the world's first one-step headlight restoration solution. Simply wipe the headlight lenses with the pre-moistened applicator cloth and let dry -- no taping, sanding, polishing or other tools required.

### One Wipe Restores One Car (Two Headlights)

Each box contains 10 individual pre-moistened wipes.

## Clear headlights in just seconds

1  
Thoroughly clean lenses with water and wipe dry

2  
Remove pre-moistened wipe from packet

3  
Wipe first lens, flip cloth over and wipe second lens

4  
Done! Allow to dry (5-15 min)

## Product Features

### Convenient

Simply open the single-use packet, wipe the headlight lenses and let dry.

### Simple

No taping, sanding, polishing or other tools needed.

### Durable

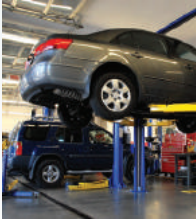

Weather and UV resistant coating lasts multiple years.

### Clean

Non-toxic and odour free.

## Service Centre Benefits

### Upsell Opportunity

- New revenue source
- Quick service with exceptional margins
- Provides excellent value to the customer

### Decrease Labour Costs

- Less time needed to restore headlights
- Lower start-up costs
- Fewer materials/tools required

### Efficiency and Workflow

- Apply before service and dry when service is finished
- Can be applied outdoors to free up service bays
- Fast learning curve, little training is needed
