

goRag® Automatic Wiper Dispensing System

Reliable hands-free automated wiper system uses long lasting standard "D" batteries

Item Description:

With automatic technology, goRag delivers higher efficiency than cloth rags to deliver a higher bottom line for businesses through an efficient roll format. This format replaces waste of bundles and bulk packs by dispensing "just what you need" to get the job done. The goRag automated system is powered by four long-lasting standard D-cell batteries providing for easy and low maintenance requirements and dispenses 5 different wiper options for specific wiping needs and is designed to mount strategically near workers. Durable, high-capacity cabinet includes a locking mechanism to eliminate pilferage, protects wipers against airborne contaminants and reduces time wasted handling rags. Experience efficiencies immediately!

Features & Benefits:

- *Sensor-Activated Automation*
Replaces waste of bundles and bulk packs
- *Locked, Durable, High-capacity Cabinet*
Prevents pilferage and protects wipers
- *Multiple Wiper Options*
Efficient roll format customized for specific industrial applications. Can be pre-set preset to deliver an 8, 12, or 16 inch wiper.
- *Special Mount Design*
Delivers efficiency through strategic mounting
- *Lifetime Satisfaction*
Proven Durability
